## **★Learn an awesome dance routine!**

The 'star' child and their guests will be taught a fun, simple, yet age-appropriate dance routine and will be able to give a 'mini-performance' at parent pick-up time.

## **★Special 'Birthday Party' Gift!**

The 'Birthday Star' will receive a special gift.

## **★Fun, fun and more fun!**

The fun begins with a 'getting to know you' game. Then, we move on to music and dancing. The party goers will do a warm up, learn some basic steps and across the floor exercises. Then, they will learn a dance routine. The cake and refreshments (provided by parent) and presents are next on the list. At the end of our time together, they will perform for all of the parents and grown-ups.
