		Pointe (Invite Only) 7:45-8:15

WHY CHOOSE NEXT STEP BROADWAY?

We are the newest performing arts studio in town owned by former Radio City Rockette, Amy Emmett. Kids ages 2 through 18 years-old can learn & develop their skills in a variety of dance, voice, and acting classes. We have recreational classes, a Musical Theatre Production program, as well as an inclusive competitive program. Our classes are designed to be age and level appropriate with a complete syllabus. Whether a child is a beginner or is Broadway bound, we have a class for them. Below are the amazing and unique reasons why Next Step Broadway is the right choice for any aspiring performer and their family:

- **SAFE SPRUNG WOOD FLOORS:** Not all dance studios provide quality dance floors. At Next Step Broadway, the installed Dura sprung wood floors were designed for dancers by dancers to help reduce the risk of injuries and allow students to dance longer without getting tired too quickly.
- **SMALLER CLASS SIZES:** Our limited class sizes allow students to receive more individual attention and provide low student/teacher ratios.
- **EXPERT TEACHING STAFF:** Each instructor at Next Step Broadway has been specifically selected to teach classes based on their area of expertise and training. They are encouraging, positive, relevant & have ongoing training. Click on individual bios here.
- **CLASS VARIETY & QUALITY PERFORMING ARTS TRAINING:** Our expert teaching staff nurtures kids ages 18 months through 18 years of age to be the best versions of themselves. We don't just teach performing arts, we teach valuable life lessons that our students can benefit from such as being responsible, a team player, leadership, critical thinking skills and perseverance. Our dance classes are divided by levels and ages where teachers consistently challenge students to improve and overcome obstacles. Dance classes include: hip hop, ballet, jazz, tap, acrobatics, and contemporary. Aspiring performers also have the opportunity to take acting classes, voice classes, private voice lessons, Musical Theatre Production, and be part of the Next Step Triple Threats Competition Program. The possibilities of what our students can achieve are endless.
- **CUSTOMER SERVICE IS SECOND TO NONE:** We love our families and performers and want to make sure they have the best experience possible. To do so, we have an open door policy and our staff is available for most hours of the day. You can also leave an email or voicemail message and we'll get back to you within 24-hours, sometimes even within the hour. Next Step Broadway has a Studio Manager, Miss Mary, who is at the studio Monday through Friday generally from

10am-7pm. We also have two amazing front desk receptionists, Miss Erica and Miss Amanda, available Monday through Thursday from 4-8pm & Saturdays from 10am-1pm (Sept-June hours). The owner, Miss Amy, is at the studio as much as possible and is usually available to answer questions. If you have any questions, comments, or concerns, please let us know and we will address them right away.

- **TOP STUDIO COMMUNICATION & ORGANIZATION:** We pride ourselves in making sure that there is quality communication throughout our entire NSB community: Owner to Manager. Manager to Front Desk Receptionists. Manager & Front Desk Reception to Families. Manager to Teachers. Teachers to Students. Families to Studio, etc. In order for this communication to work, we make sure our daily operations are systematic and purposeful. Therefore, being organized is our key to our ongoing success. From studio planning to recital planning, we take pride in ensuring that families, performers and staff all have great experiences here at NSB without feeling lost or confused. We will guide our families and dancers every step of the way.
- **FAMILY & AGE APPROPRIATE EVERYTHING:** We are a family-friendly studio that promotes and encourages appropriate music, appropriate dance moves, and appropriate clothing/costuming. Wholesome, healthy & happy is what our classes are all about.
- **ONLINE CONVENIENCE:** Families can visit our website for convenient online access and view class schedules anytime! Once enrolled, families will have access to their 24/7 Family Portal Account so you can make updates, register for classes, request changes, see studio news and more!
- **COMFORTABLE VIEWING AREA WITH WIRELESS ACCESS:** You and your child can have a snack, color or do homework at our workbench and chairs. We also have three TV monitors providing live CCTV feed of what is going on in each of our three dance rooms.
- **UNFORGETTABLE RECITAL EXPERIENCE:** We offer an excellent recital fee package that includes production costs, a recital costume, a recital t-shirt, recital video access, a participation award, and recital tights or socks. Our recitals are organized like a Broadway style show including a storyline, acting, singing and, of course, dancing! Our shows are short, super organized, and deliver exceptional production quality & high entertainment value.
- **LOCATION, LOCATION, LOCATION:** We're conveniently located in the Adams Square Shopping Center right of the Woodward corridor between Maple and Lincoln roads. We share a very large lighted parking lot. Food, the post office, shopping, grocery stores, massage spas, salons, and workout facilities are conveniently nearby.

Are you new to dance and don't know where to begin?

Below is a guide that will help you pick the right class and level for your child:

- First Year Dance 3 year-old: Creative Movement (less structured & non-recital) or Pre-Ballet (more structured & recital)
- First Year Dance 4 year-old: Pre-Ballet
- First Year Dance 5 year-old: Mini Classes
- First Year Dance 7 year-old: Primary Classes
- First Year Dance 9 & 10 year-olds: Level A
- First Year Dance 11 year-old: recommend Level A, can take Level B, but is faster paced and builds on the fundamentals from Level A.

During the first few months, our expert teachers and staff will monitor all students to ensure they are in the proper class/level. If we strongly feel they must move into a different class/level, we will contact parents and discuss options.

Are continuing dance and don't know what class to enroll your child in?

We evaluate our students throughout the season to make sure all of them are on the right track. Our students' success and best interests are always at hand and we want to ensure they are challenged but yet comfortable in their classes. Teacher's will make class recommendations at the end of the school year to make the enrollment process smooth and easy for our families for the following year. It is an absolute joy when students learn and improve their dance skills day in and day out. Our students' confidence level grows as their dance skills and knowledge develops. We hope that the guide below can help you pick the right class for your child:

- Second Year Dance 3 year-old: Pre-Ballet
- Second Year Dance 4 year-old: Mini Classes
- Second Year Dance 5 year-old: Mini or Primary Classes
- Third Year Dance 5 year-old: Primary Classes
- Second Year Dance 7 year-old: Primary Classes or Level A (depending on instructor approval)
- Third Year Dance 7 year-old: Level A
- Second & Third Year Dance 9 & 10 year-olds: Level A or Level B (depending on instructor approval)
- Second & Third Year Dance 11 year-old: Level B or Level C (depending on instructor approval)
- Levels C & D is Instructor Approval Only - Performers typically need at least 3 years in Levels A and B to be considered for Levels C and D classes.

We fully expect most dancers to spend multiple years in each level. This is for a number of reasons:

- Our leveled dance programs do not have 12 levels like there are 12 grades in school, so it's highly unlikely a student will move up a level every single year.
- In the first year a student participates in a level, new material is introduced. In the second and subsequent years, students use the same material to build physical strength and muscle memory, fine tune technique and increase endurance. Being a dancer is about more than memorizing a laundry list of dance vocabulary. In addition to mental knowledge, it requires physical strength and development of a sense of artistry. These elements become the focus for a student participating in a level for the second year or more.
- We look at each student as an individual while at the same time remaining aware of the importance of a peer group. We also look forward and try to envision where a student will be two or three years in the future. We do our best to balance these elements when deciding whether or not to move a dancer to the next level. We always do our best to reward hard work and dedication while challenging the unique talents of each student.

If you are still unsure, please feel free to contact us and we can discuss class options for your performer. It is highly important to us that your child is in the right class/level. Thank you!
